4	A very competent surgeon	Jun 25, 2013 1:49 AM
5	I have almost universally rated Mr Wynn at the top end of the scale. I am one of the most junior doctors on Mr Wynn's firm, and I find his behaviour towards me in the capacity of my clinical supervisor has been exemplary. He is inspiring, takes great time for explanation of more complex topics, has an empathic and engaging style with patients, takes his role and the care of patients very seriously, and upholds the tenets of professionalism laid out in Good Medical Practice.
